FOUR SEASONS HOTEL
KUWAIT CITY, KUWAIT

PROGRAM OVERVIEW

Bentley's Leadership Accelerator course is a leadership intensive aimed at career professionals, executives, and senior leaders with a minimum of 10 years experience and who are looking to shape their leadership skills in a strategic and transformational manner. It is designed to meet experienced leaders where they are at and consists of 2 days of in-person classroom training followed by 2 hours of one-on-one executive leadership coaching to shape the learning experience in a practical approach based on individual leadership needs. The program includes one leadership assessment, executive coaching, interactive classes focused on critical skills including leadership, influence, teamwork, collaboration, change, innovation, coaching and mentoring, and one wrap up virtual session after the program.

DESIRED PROFILE

High-potential, mid-career leaders (10+ yrs. experience) who are seeking opportunities to accelerate growth as a leader and increase contributions to their organization. The program is particularly well suited for leaders in a manager, director or similar role, as they prepare to move into greater levels of responsibility. All participants are required to obtain agreement from their selected peers, direct reports, and supervisor to complete an assessment tool. All results are kept confidential.
